

Adrien Rollet – FX Artist

Personal Details :

Adrien ROLLET
+61 (0)476 14 24 54
adrien.rollet@gmail.com
www.adrienrollet.com
Nationality : French

Professional Summary :

I'm a french FX Artist with 8 years 3D experience, 4 years professionally as FX Artist, Modeler, Lighter and Composer. < My primary focus is both as an FX TD handling a lot of Fire, Smoke and Water Simulations, Rigid Body Dynamics as well as a lot of destruction and creating natural phenomena. I'm very passionate about what I do. My strenghts are my determination, self learning, organisational skills, adaptability and team work skills. I'm self-taught and I learn new softwares and tools very quickly with a good understanding of the entire visual effects process.
